UIC

COMMENCEMENT

UNIVERSITY OF ILLINOIS CHICAGO
December 13–14, 2024

DONALD J. EDWARDS

CHAIRMAN OF THE BOARD OF TRUSTEES

On behalf of the University of Illinois Board of Trustees, and as a proud alumnus, I am honored to bring greetings and congratulations to the Class of 2024.

I hope that these past few years and your experiences here at UIC have been some of the best, most rewarding … and most challenging … of your lives.

Although it has been quite a few years since I sat in your seat at my own graduation, I still remember the mix of excitement and anxiety I felt, not knowing exactly what the future would hold. That is understandable. But rest assured that your experiences here, both in and out of the classroom, have provided you with the foundation to succeed and flourish.

Now you can take that foundation and build on it. Follow your passions, never stop learning, and you will find your own unique path.

As you take the next steps in your life's journey, know that you carry a bond that forever connects you to your years on this remarkable campus. You are joining one of the world's largest alumni networks—more than 800,000 strong from across the University of Illinois System's three best-in-class universities. You will find us in just about every country on Earth.

I hope you will carry our flag with pride, with your successes adding to our global reputation for excellence and attracting the new generations of students who want to follow in your footsteps. I hope you also will come back to campus often to share your achievements, your experiences, and your insights.

And, as you are out in the world building your career and making it a better place, know that those of us back here at the U of I will still be working for you, ensuring that the value and prestige of your UIC degree will continue to grow.

Congratulations again, class of 2024!

TIM KILLEEN

PRESIDENT

To the Class of 2024, congratulations!

At this moment you stand at the beginning of a path that leads toward opportunity, and your years at the University of Illinois Chicago have prepared you well.

You have made memories, as well as colleagues and friends. All will be a part of your life from now on, no matter how far you go.

The exploration you have undertaken together these past few years has transformed you and given you the keys to all that lies ahead.

Your accomplishments and your ability to adapt, innovate, and persevere during your time at UIC will serve you well.

I encourage you to put all these things to work as fully engaged citizens.

And now, with this milestone, you can enjoy a well-earned sense of pride and achievement.

Take some time today, though, to reflect on all that you have learned along the way. Today is among the small handful of days in your lives that you will remember for as long as you live. Savor it, every minute.

As you do, celebrate with those who believe in you and have supported you. They share in your success.

In the future, when you return, we look forward to learning of your discoveries and experiences. But today, I am deeply honored to celebrate with you.

Congratulations again, Class of 2024!

MARIE LYNN MIRANDA

CHANCELLOR

To the UIC Class of 2024,

Congratulations!

Graduating from the University of Illinois Chicago is a momentous occasion and a testament to your perseverance and resolve. I am honored to celebrate this important milestone with you.

UIC's mission is to provide the broadest access to the highest levels of educational, research, and clinical excellence. Our top priority is student success—from recruitment through graduation—while fostering a deep sense of belonging and connection. We are also Chicago's only public research university and a catalyst for solutions to address society's most complex challenges through research, community engagement, and expanding the knowledge frontier.

Our goal is to equip you with degrees that allow you to compete globally and lead meaningful lives. With your degrees in hand, you now have incredible opportunities to pursue your professional and personal aspirations. Your unique perspectives and contributions have enriched the UIC experience for everyone, and for that, we are truly grateful. You have played an important role in elevating UIC's profile as a place that drives the social and economic mobility of its students, and I am confident you will go on to accomplish remarkable things. The world needs you, and you have what it takes to truly make a difference.

On behalf of the entire UIC community, I extend my warmest congratulations and deepest gratitude for your contributions to UIC. We are so proud of your accomplishments and look forward to following your successes in the years ahead.

Chancellor Miranda and the faculty and staff of the University of Illinois Chicago welcome you to the fall commencement exercises, recognizing the accomplishments of our College of Liberal Arts and Sciences students.

ACADEMIC DRESS

Academic dress, consisting of cap, gown, and hood, originated about the twelfth century and was worn primarily for warmth. Subsequently, material of the gown and the lining and the shape of the hood represented the economic and social as well as the academic status of the wearer.

In the United States, the great majority of the academic costumes now worn are in accordance with the general provisions of the Intercollegiate Code of 1895, which was revised in 1932 and again in 1960. Under this code the bachelor's gown has pointed sleeves, the master's gown has oblong sleeves with an arc at the bottom, and the doctor's gown has bell-shaped sleeves. All gowns were originally black, although the adoption of colored gowns by individual institutions in the United States is becoming more prevalent.

The bachelor's and master's gowns are untrimmed. The doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves. The facing and bars may be black or may be the color of the subject to which the degree pertains. Material of the gown and hood for the bachelor's and master's degree is usually of cotton poplin, and for the doctor's degree, of rayon or silk ribbed material. The bachelor's gown is worn closed; the master's and doctor's gowns may be worn open or closed. Women may wear white collars with the bachelor's gown when no hood is worn.

The hoods, which differ in length for the three degrees, are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other. The bachelor's hood is three feet in length; the master's hood is three and a half feet, and the doctor's hood is four feet long. At the University of Illinois at Chicago the lining of the hoods is flame and indigo. For PhD students, the trim of the hood is indigo. For other doctoral students and for master's students, the velvet trim at the edge of the hood denotes the field of study. UIC graduating seniors do not wear hoods.

The mortarboard cap is standard in the United States. Usually all tassels are black, but where the graduating seniors do not wear a hood, as at the University of Illinois, the color of the cap tassel indicates the type of degree earned. Students receiving a bachelor of arts degree wear white tassels; those receiving a bachelor of science degree wear gold. Doctor's caps may have tassels of gold thread. At the University of Illinois, candidates for degrees wear tassels on the right front quadrant of their caps before degrees are conferred and change them to the left front quadrant after degrees are conferred by the president. Caps are considered a part of the costume.

Gold, silver, and bronze cords worn by some graduating seniors signify the three levels of University Honors. Gold cords signify summa cum laude, silver cords signify magna cum laude, and bronze cords signify cum laude. Gold stoles identify graduates who are members of the Honors College. Red cords distinguish students who have been recognized for service and/or leadership. Some students also wear cords or stoles signifying their membership in campus organizations or activities. The Jewel of Office and gold collar, which is worn by the president, was presented to the university by the University of Illinois Alumni Association. It is emblematic of the Office of the President and is worn at all formal academic ceremonies. On the collar are engraved the names of the presidents of the university and their years of service. Trustees of the university are identified by their blue gowns with blue velvet panels outlined in orange cord.

For all academic purposes, the colors associated with the different subjects are as follows:

Agriculture	Maize
Applied Health Sciences	Green and Gold
Architecture and the Arts	Brown
Business Administration	Royal Blue
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Forestry	Russet
Health Professions Education	Gold
Journalism	Crimson
Law	Purple
Liberal Arts and Sciences	White
Library Science	Lemon
Medicine	Green
Music	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Pharmacy	Olive
Philosophy	Dark Blue
Public Administration	Peacock Blue
Public Health	Salmon
Social Work	Citron
Theology	Scarlet
Urban Planning	Wedgewood Blue
Veterinary Science	Gray

(UIC does not offer all of these degrees; however, faculty and platform party members may hold degrees in these areas.)

This program contains official lists of names of graduates who received degrees in summer 2024 and unofficial lists of names of candidates for fall 2024 graduation. The names of fall 2024 graduates are as accurate as possible. However, due to printing deadlines, the names of some degree recipients may not appear, while names of degree candidates may appear even though they have not completed their degrees. The University of Illinois Chicago's official registry for conferral of degrees is the Office of Admissions and Records.

The following symbols are used in this program:

* **College Honors**

† **Cum Laude**

‡ **Magna cum Laude**

§ **Summa cum Laude**

Honors College (undergraduate students who are members of the Honors College)

** **Bell Honor Award** (College of Engineering)

†† **Beta Gamma Sigma** (College of Business Administration)

UNIVERSITY HONORS POLICY

The three levels of university honors listed below will appear on UIC transcripts for undergraduate students participating in fall 2024 Commencement ceremonies.

Summa cum Laude ("Highest praise"): 3.90 and above grade point average

Magna cum Laude ("High Praise"): 3.75 to 3.89

Cum Laude ("Praise"): 3.50 to 3.74

University honors will be awarded solely on grade point average earned at UIC. The determination of university honors for fall 2024 candidates for graduation will be based on grades reported through the end of the term prior to graduation. UIC will make permanent adjustments to the list of students receiving university honors based on final grades.

The School of Law also awards Latin honors with the top 1 percent of the JD graduating class earning summa cum laude, the top 4 percent earning magna cum laude, and the top 15 percent earning cum laude.

Doctoral (all Doctor of Education, Doctor of Nursing Practice, Doctor of Occupational Therapy, Doctor of Philosophy, and Doctor of Physical Therapy) and master's (all Master of Architecture, Master of Arts, Master of Arts in Teaching, Master of Design, Master of Education, Master of Fine Arts, Master of Health Professions Education, Master of Healthcare Administration, Master of Public Administration, Master of Science, Master of Science in Teaching, and Master of Urban Planning and Policy) degrees conferred by the Graduate College are listed under the respective disciplinary college.
